Attn: Honorable Robert Drain

Ref: Case #05-44481  
Debtor Delphi Corp.

Dear Judge Drain:

I am a retired Delphi Salaried employee. I am asking that the Delphi debtor motion to cancel retiree salaried benefits not be granted.

I, like the many other Delphi salaried employees have put in many productive years of service for Delphi. It is now, in retirement that we need the support of the salaried benefits which was part of our compensation package to be used at this time.

Paying for these benefits ourselves at this time is an economic hardship for us on a fixed retirement income. This economic hardship spreads through the community of Kokomo, Indiana in that the community will be denied income because of the impending hardship on us.

Thank you for your time and consideration.

Sincerely yours,
